

When Death Comes: Why, How and When We Die (Paperback)

By Robin Sacredfire

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Many mystics know that there are ways to predict death. These ways or principles are all related. We can predict death with the analysis of auric fields, which are a manifestation of our emotions. But our emotions aren't just about how we feel. We tend to feel according to how we live, and we live according to how we perceive life. Within this line of thought, even though we can't precisely say what will happen in the future without ignoring the power of freewill, as no fortuneteller can, we can work with the probabilities described by a person's state of mind. We can say that it's possible to mention who's more likely to die in an accident, murder or by committing suicide, and who's very unlikely to end in any of these situations. To a great extent, death can be predictable and even avoided. We know that we must drive carefully, but we see many people driving recklessly. We know that we should avoid having sex without a condom, but many still do it. We know that we shouldn't trust strangers and many people do,...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dr. Barney Robel Jr.
